

CALL FOR PARTICIPANTS

inFormal Coaching is a follow up of the Long-term project called “InFormal - integration of non-formal education approach to the formal education system for youth empowerment at the local level” that attempts to use coaching as a tool for youth empowerment in order to address all the mentioned issues and to build a stable and productive co-working platform for educators coming from formal education and youth field (NGOs and other youth authorities).

Dear friends,

We are happy to launch call for participants for the «inFormal-coaching» long-term training course, which is a follow up of the Long-term project called “InFormal” - integration of non-formal education approach to the formal education system for youth empowerment at the local level” that attempts to use coaching as a tool for youth empowerment in order to address multiple issues and to build a stable and productive co-working platform for educators coming from formal education and youth field (NGOs and other youth authorities).

MAIN OBJECTIVES:

- To learn what is coaching and it can be applied to the youth work
- To learn about different coaching models such as GROW and others
- To learn what is individual and group coaching and how it can be applied in the youth work and training
- To learn how to use and adapt coaching methods and tools easily in their daily work;
- To strengthen the learning process by implementing the full coaching cycle: set goals, identify new possibilities, make decisions, take actions, and reflect;
- To work on personal and professional development in order to improve theirs and others' employability prospects;
- To raise awareness of the entrepreneurial learning potential with coaching tools;
- To unite efforts of youth workers coming from formal and other youth field backgrounds for youth empowerment at local level by using coaching principles
- To build a cross sectorial network and to create joined actions for address in current challenges
- To build a necessary set of competences for proficient use of NFE instruments and coaching tools for youth empowerment at local level
- To provide the opportunity to assess the quality of coaching process
- to understand the value of personal development through feedback

This long-term training course will consists of 3 parts:

1. **inFormal Coaching part 1** will take place in Rostov Velikii, Russia [7 working days from 18-26 of March 2017] - and will aim to get a acquainted participants with principles of coaching, after that TC we expect them to try coaching in their local work, and to share the results with us and peer learners during the online phase.

2. **inFormal PRACTICE** - the practical phase between two trainings, when participants will try out to use non-formal education and tools working with students and schools children;

3. **inFormal Coaching part 2** will take place in Weimar, Germany [7 working days from 24th of July till 1st of August 2017] and will focus on mastering the skills in coaching, reflection on the practical phase and experimenting with different models, instruments and tools.

PARTICIPANT'S PROFILE:

- ◆ Educators coming from formal I education system (professors, teachers)
- ◆ Psychologists, social workers and school coaches and mentors from the formal (educational) institutions
- ◆ Youth workers dealing with pupils, students and staff from formal education system as main target group

Participant should be ready to be fully involved in all stages. We expect participants to follow all three phases of the training.

VENUES:

The first stage will be run in Rostov Velikiy, Russia, the second in Weimar, Germany

FINANCIAL CONDITIONS:

The travel costs reimbursement will be based on the travel distance that will be calculated using the distance calculator of the European Commission. Full board (meals and accommodation) is covered 100% as part of the activity. The visa costs will be covered.

There will be a participation fee of 50 euro.
